Old Business:

CREPC website - President Austin reminded everyone about use of web site for up dates.

DEMHS Coordinating Council Report – Report given to all in attendance

Captain's MDT Project – W. Perez handed out information and reviewed status of CRCOG Captain Fire AVL project. He stated the next meeting of project committee is on September 22 @ 1pm no location given. He entertained questions none were asked.

Incident Management Team Project – President Austin handed out a report to the commissioners on the CT Incident Management Teams. He went on to give an overview of the projected growth and use of type IV and Type III teams in the region and the state. There was discussion of the up coming incident management team training he urged all who could attend the training to take advantage of it.

New Business:

EMS coverage for each task force - Discussion of having dedicated EMS support for each Task Force that would be separate from the EMS provider for the incident the attached EMS would be solely for the medical intervention and transport of the task force personnel. Will Perez and Vincent Palmeri will research the subject and report back to the association at the next CRFCA meeting in October.

Reception in Honor of Chief Varney – On October 14 at the Ellington Ridge CC their will be a reception in Honor of Chief Varney. A motion was made by J. DiPace to donate \$200.00 to the Ellington Fire Dept to help defray the cost of the event. A motion seconded by A. Gold and the motion was carried. (Doug Bill wanted you to make contact with someone from Ellington to see who to make the check out to).

Salamander accountability system – President Austin did a quick up date. All were reminded to make sure they have returned to you the information on the rings.

No further question or new business.
