Old Business: The Fire Captain system; A subcommittee is being established for the purpose of fir pre-plans for the system. Will Perez has just received a report and will review it.

CRFCA website; some work is going to be done to make the site better. The duty officer schedule, minutes and various links are there. If anyone would like to see something more please bring it to our attention.

Joint meeting with the HCFEP will be held March 21 2012 at the fire Academy. Will is working with academy staff to provide light refreshments for the meeting, CRFCA to absorb costs.

New Business: The operation threat 4 tabletop exercise after action was conducted, paper work is not out yet.

CREPC meeting update: Bill Austin gave overview of meeting.

Avon fire; House fire in Avon required the use of two task forces. Mike Trick reviewed scene concerns and reason this was done. They brought first task force in and used them for fire scene activities, the second was brought in for town coverage. They did note problems with intercity on West side of state, and they will be meeting with the key players of Task Force 54.

Chiefs roundtable: Mike Varney; An after action report on storm Alfred was conducted and information will be brought forward to this group.

Dave Lockwood; Had a large LPG leak. fill station left open and running. They experienced an issue with company regarding key holder information and company response to scene.

Priest; June 2012 the renovations are to begin at the Health Center for the Bio-Science lab.

Austin; We voted on Salamander system changes a few months ago, and the CERT team is training and will be able to provide accountability for the second operational period. You can contact them thru ESF-5.

Perez; We will be moving into our new fire station on Monday the 12th.

Trick; Joint exercise with the task forces went very well. Canton has been working on a high angle rescue team.

Farmer; We had a large scale Haz-Mat incident at Command Aerospace due to refrigerant leak. Decon needed to be set up and the regional Haz-Mat team responded.

Jamie DiPace; Wants to congratulate Art Gold on a great career and his involvement in this organization along with many other. Thanks to Art for the entire group.
